MEMORANDUM FOR: Director, National Photographic  
Interpretation Center

FROM: Director of Central Intelligence

SUBJECT: Photos of [redacted]

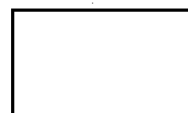

25X1

I'd appreciate looking at half a dozen or so photos of  
[redacted] I've seen a lot of photos of individual installations  
there. I'm interested in an overall picture of what there is at  
[redacted] how extensive it is, and how it is laid out. If you  
could throw something together for me, I'd appreciate it.
